

Doggy Day Care & Puppy Play Days

Woof Woof Walkies are pleased to announce the above two services have now recommenced. The decision to recommence both services was taken on the revised government advice given on 29th May 2020.

In order for us to operate safely we must comply with government advice therefore, the following measures have now been put in place: -

- All bookings should be made in advance.
- Dogs should be dropped off and collected by appointment only.
- Should two appointment times run into each other as a result of a client being delayed, the second client should remain in their car with their dog until the first client has finished the hand over and has returned to their car.
- Only one person should be involved in the handover of a dog.
- Handovers should be carried out outside and dogs must be handed over on an extending lead thus ensuring there is at least 2 metres distance between the owner and proprietor.
- The proprietor will clip her own lead to the clients dog's collar and then release the extending lead thus allowing the client to retain their own equipment.
- If food is being handed over, please use a disposable container/bag so there is no requirement to hand back. All food should be placed on the garden wall at the front of the house on arrival.
- All dogs should access the property via the side gate. No dog should enter the premises via the front door.
- On arrival, all dogs will be wiped down with a pet safe disposable cloth.
- On departure, all dogs will be wiped down again with a pet safe disposable cloth.
- When collecting dogs at the end of the day, clients should ensure they bring their own dog's extending lead and arrive at the agreed appointment time.
- The handover process from proprietor to owner will be a repeat of point 5 & 6.
- Payments should be made by BACS until further notice.

Please Note:

Woof Woof Walkies will not accept dogs from infected households therefore, if someone in your household is showing symptoms or tests positive for Coronavirus, please contact **01292 441965** or **07794880582** to advise.
